

Ukraine today. How to help?

Traumatic injury as risk factor for venous thromboembolism

Thursday, March 31, 2022 at 14:00 CET

(as webinar would be arranged from Ukraine due to war technical issues could arise as well as start time could be changed)

| | | |
|---|--|--------|
| Prof. Larysa Chernukha | Opening | 7 min |
| | Short video from Ukrainian speaker Prof. Svyatoslav Kostiv (Ternopyl) | 3 min |
| Prof. Svyatoslav Kostiv (Ternopyl) | Traumatic injury as a risk factor for venous thromboembolism. Today's recommendations. | 10 min |
| Prof. Larysa Chernukha Dr. Yaroslav Khrebtii (Vinnytsa) Dr. Volodymyr Rogovskyi (Kyiv) Dr. Oleksii Rodionov (Kyiv) Prof. Vitaliy Prasol (Kharkiv) Dr. Igor Samarskiy (Odesa) Dr. Oleksandr Sokolov (Dnipro) Prof. Svyatoslav Kostiv (Ternopyl) | Discussion | 5 min |
| | Short video from Ukrainian speaker Dr. Volodymyr Rogovskyi (Kyiv) | 3 min |
